

Instructions for accessing WVU eCampus

WVU eCampus is a web-based course management system used at WVU. WVU eCampus permits faculty to deliver the highest quality educational experience to students. It is accessible from anywhere a user happens to be, at any time of the day or night.

Your WVU eCampus login information is the **same as it is for MIX** (WVU eCampus uses the same user name and password as MIX).

You can find your user name/password by following the instructions listed below.

How do I find my user name?

Your user name is displayed within your STAR account. Newly admitted students are mailed their user name after they pay their tuition deposit.

1. Go to <http://star.wvu.edu>
2. Click on **STAR Access**
3. Click on **STAR Information System Login**
4. Enter your **WVU ID** and password (PIN)
 - a. Your **UserID** can be either your numeric WVU ID or your MIX user name. If you were admitted to the University prior to July 11, 2004 your user name is your MIX user name. If you were admitted after July 11, 2004, your user name is your WVU ID.
 - b. The default password for all accounts is 6 digits. If you were admitted to the University prior to July 11, 2004 your password is your 2 digit day of birth and the last 4 digits of your Social Security Number (unless you changed it). For example if your date of birth is Nov 3, 1974 and your Social Security Number is 123-45-6789, then your password is 036789. If you were admitted to the University after July 11, 2004 your password is your 2 digit day of birth and the last 4 digits of your 700 WVU ID.
 - c. If admitted after July 11, 2004, you can find your WVU ID number at by going to <https://centralid.wvu.edu/wvuid/lookupwvuidinmix.phtml>. Log in with your social security number and your WVU ID will be displayed.
5. Click on **Personal Information**
6. Click on **View E-mail Address**
7. If a MIX account has been created for you, your e-mail address will be displayed. Your MIX email account will be in the format xxxxxx@mix.wvu.edu
8. Your user name will be seven characters prior to the @ symbol.
9. Default password: The default password for all accounts is 6 digits. If you were admitted to the University prior to July 11, 2004 your password is your 2 digit day of birth and the last 4 digits of your Social Security Number (unless you changed it). For example if your date of birth is Nov 3, 1974 and your Social Security Number is 123-45-6789, then your password is 036789. If you were admitted to the University after July 11, 2004 your password is your 2 digit day of birth and the last 4 digits of your 700 WVU ID.
10. Now log into WVU eCampus at <https://ecampus.wvu.edu>
11. Click on WVU eCampus Login
12. Enter your user name and password, select ok

13. You will see the list of courses in which you are currently enrolled.

If you encounter problems accessing WVU eCampus, technical assistance is available through the WVU Helpdesk at 304-293-4444 or 1-800-327-9260.
